**RE: Brown County Board of Supervisors Meeting Change of Venue  
(Brown County, Wis.)**

The Brown County Board of Supervisors will hold their monthly meeting as scheduled tonight, March 18, 2020 at 7:00 p.m. inside the Auditorium of the Brown County Central Library.

The change of venue is due to the Mayor for the City of Green Bay making the decision late Tuesday afternoon, March 17, prohibiting Brown County Supervisors from holding their March meeting in the Council Chambers where it is normally held. The Centers for Disease Control and Prevention (CDC) instruction was cited as the cause of the prohibition.

“For those parties who are concerned about reducing the spread of the Coronavirus 2019 (COVID-19), the Central Library Auditorium offers Supervisors and the public the ability to adhere to social distancing recommendations. Disinfectants and hand sanitizer shall be made available for use for those planning to attend, said Brown County Board Chairman Patrick Moynihan, Jr.”

OF THE BROWN COUNTY BOARD OF SUPERVISORS

Ladies and Gentlemen:

**RESOLUTION APPROVING BUDGET ADJUSTMENT  
TO VARIOUS DEPARTMENT BUDGETS**

WHEREAS, the below listed departments have submitted the following adjustments to their departmental budgets that, per Wisconsin State Statutes, require approval by a 2/3 vote of the full County Board:

20-010 SHERIFF	This 2020 budget adjustment is to increase grant revenue and related outlay expense to participate in a Homeland Security WEM ALERT SWAT Linear Assault Training grant (2019-HSW-02B-11881). The grant provides funds for a three day training session for SWAT team members.  <b>Fiscal Impact: \$27,500</b>
20-012 UW- EXTENSION	Kevin Erb, Conservation Professional Training Program Director for Extension Brown County, will be hiring a student intern for the summer (11 weeks at \$15 per hour). Funding for the position will be paid half by Kevin's revenues generated from a new program and half by Professional Nutrient Applicators Association of Wisconsin.  <b>Fiscal Impact: \$10,740</b>
20-014 SHERIFF	This 2020 request is to increase expenses and grant revenues to participate in the Homeland Security WEM/ALERT SWAT Regional Ballistic Protection 2019 grant (2019-HSW-02A-11862). This grant provides funds to purchase ballistic protection equipment for Sheriff personnel.  <b>Fiscal Impact: \$4,600</b>
20-015 SHERIFF	This 2020 budget adjustment is to increase donation revenue and related supplies expense for a donation from the Vietnam Veterans Association's Vets Ride. Donation is earmarked to renovate the Rollover simulator, which is used at various public presentations to reinforce the importance of safety belts and demonstrate what can happen in a crash if belts are not used. The Rollover simulator was donated by AAA many years ago and is in need of new crash dummies and cosmetic refurbishing.  <b>Fiscal Impact: \$2,000</b>
20-016 PSC	This Public Safety Communications budget adjustment is for the partial use of the 2019 Securus settlement proceeds received to be used for server and CAD software maintenance. This will also eliminate the budgeted sales tax transfer to the CAD Capital Project Fund as the remainder of the Securus settlement proceeds will be used instead.  <b>Fiscal Impact: \$1,455,072</b>
20-017 SHERIFF	This 2020 request is to increase expenses and grant revenues to participate in the Homeland Security WEM/HS ALERT DIVE Remotely Operated Sonar 2019 grant (2019-HSW-02A-11903). This grant provides funds to purchase an underwater sonar device to search large areas in a short amount of time to locate victims and other items under water. This may be used in the bay, rivers, ponds and quarries where visibility is limited for divers. There is no local match for this grant.  <b>Fiscal Impact: \$78,000</b>

**BE IT FURTHER RESOLVED** that each elective official named in this Resolution: 1) is entitled to participate in the Wisconsin Retirement System ("WRS") as authorized by law; and 2) is required to pay his or her share of the total WRS required contribution for the position. Brown County will only pay its share of the total required WRS contribution, the amount elected officials are required to pay for their required WRS contribution may change when the WRS rate is adjusted, and these required contributions will be made pre-tax; and

**BE IT FURTHER RESOLVED** that each elective official is conditionally eligible for, and may elect to receive, health insurance through Brown County's group health insurance plan. This eligibility for health insurance coverage is expressly subject to the same terms and conditions (e.g., premium contribution, deductibles, co-pays, etc.) that full-time, non-represented employees of Brown County enjoy; and

**BE IT FURTHER RESOLVED** that each elective official is eligible for, and may elect to participate in, the fringe benefit package provided to full-time, non-represented employees of Brown County. Such eligibility and participation is subject to the same terms and conditions that full-time, non-represented employees of Brown County enjoy.

TO THE HONORABLE CHAIRMAN AND MEMBERS  
OF THE BROWN COUNTY BOARD OF SUPERVISORS

Ladies and Gentlemen:

**'SENSE OF THE BOARD' RESOLUTION**  
**REQUESTING THAT THE WI DNR ESTABLISH STANDARDS**  
**AND PERFORM BASELINE PFAS TESTING**

WHEREAS, it is the Sense of the Brown County Board of Supervisors that, in order to alleviate concerns, it would be beneficial to Brown County and its citizens to have the Wisconsin Department of Natural Resources (WI DNR) establish PFAS Standards, and to test both drinking water and waste water in Brown County for the presence of, and levels of, PFAS in order to establish a baseline, and to determine what levels of PFAS, if any, are present; and

WHEREAS, according to the US EPA, per- and polyfluoroalkyl substances (PFAS) are a group of man-made chemicals that includes PFOA, PFOS, GenX, and many other chemicals. PFAS have been manufactured and used in a variety of industries around the globe, including in the United States since the 1940s. PFOA and PFOS have been the most extensively produced and studied of these chemicals. Both chemicals are very persistent in the environment and in the human body – meaning they don't break down and they can accumulate over time. There is evidence that exposure to PFAS can lead to adverse human health effects.

NOW, THEREFORE, BE IT RESOLVED, that the Sense of the Brown County Board of Supervisors is that the Wisconsin Department of Natural Resources should establish PFAS Standards, and should test both drinking water and waste water in Brown County for the presence of, and levels of, PFAS in order to establish a baseline to determine what levels of PFAS, if any, are present, and the Brown County Clerk shall forward this resolution to the Wisconsin DNR, to Brown County's State Legislative Delegation and to the Governor for consideration.

TO THE HONORABLE CHAIRMAN AND MEMBERS  
OF THE BROWN COUNTY BOARD OF SUPERVISORS

Ladies and Gentlemen:

**'SENSE OF THE BOARD' RESOLUTION**  
**SUPPORTING PASSAGE OF 2019 SENATE BILL 381 REGARDING**  
**ELIMINATING THE STATUTE OF LIMITATIONS FOR CERTAIN SEX OFFENSES**

WHEREAS, it is the Sense of the Brown County Board of Supervisors that 2019 Senate Bill 460 (the bill), which eliminates the Statute of Limitations for certain sex offenses, should be passed and enacted into law; and

WHEREAS, according to the analysis by the Legislative Reference Bureau, under current law, the time a person has to bring an action (the statute of limitations) for an injury resulting from being sexually assaulted or subject to incest as a child, or from being subject to sexual contact by a member of the clergy as a child, is any time before the injured party reaches the age of 35. This bill removes the time limit for bringing those actions. In addition, the bill applies this unlimited time period to a broader range of actions. Under the bill, there is no limit on the time a person has to bring an action for injury resulting from being subject, as a child, to any sexual contact by an adult or by an adult member of the clergy. The bill also revives any cause of action that was barred by the present statute of limitations and allows an injured party to bring that action for his or her injury within three years after the effective date of the bill.

NOW, THEREFORE, BE IT RESOLVED, that the Sense of the Brown County Board of Supervisors is that 2019 Senate Bill 381 should be passed and enacted into law, and the Brown County Clerk shall forward this resolution to Brown County's State Legislative Delegation and Governor for consideration.

2019 - 2020 LEGISLATURE

## 2019 SENATE BILL 381

August 29, 2019 - Introduced by Senators L. TAYLOR, SCHACHTNER and LARSON, cosponsored by Representatives C. TAYLOR, SARGENT, GRUSZYNSKI, VINING, STUBBS, NEUBAUER, MILROY, L. MYERS, BILLINGS, ANDERSON, BROSTOFF, SUBECK, POPE, CONSIDINE, BOWEN, VRUWINK, SINICKI, SPREITZER and OHNSTAD. Referred to Committee on Insurance, Financial Services, Government Oversight and Courts.

- 1     **AN ACT** *to renumber and amend 893.587; to amend 893.587 (title); and to*  
2             *create 893.587 (1) and 893.587 (3) of the statutes; relating to: the statute of*  
3             *limitations for sexual contact with a child.*

---

***Analysis by the Legislative Reference Bureau***

Under current law, the time a person has to bring an action (the statute of limitations) for an injury resulting from being sexually assaulted or subject to incest as a child, or from being subject to sexual contact by a member of the clergy as a child, is any time before the injured party reaches the age of 35.

This bill removes the time limit for bringing those actions. In addition, the bill applies this unlimited time period to a broader range of actions. Under the bill, there is no limit on the time a person has to bring an action for injury resulting from being subject, as a child, to any sexual contact by an adult or by an adult member of the clergy. The bill also revives any cause of action that was barred by the present statute of limitations and allows an injured party to bring that action for his or her injury within three years after the effective date of the bill.

Every county may exercise any organizational or administrative power, subject only to the constitution and any enactment of the legislature which is of statewide concern and which uniformly affects every county.

(b) 59.04 Construction of Powers. For the purpose of giving to counties the largest measure of self-government in accordance with the spirit of the administrative home rule authority granted to counties in s. 59.03, it is hereby declared that this chapter shall be liberally construed in favor of the rights, powers and privileges of counties to exercise any organizational or administrative power.

(c) 59.17(2)(a) County Executive. The duties and powers of the County Executive shall be, without restriction because of enumeration, to: (a) Coordinate and direct by executive order or otherwise all administrative and management functions of the county government not otherwise vested by law in other elected officers.

(d) 59.17(5) Message to the County Board; Submission of Annual Budget. The county executive shall annually and otherwise as may be necessary, communicate to the county board of supervisors the condition of the county, and shall recommend such matters to them for their consideration as he may deem expedient. (3) The County Clerk shall read only the headings of resolutions to be considered at County Board sessions, unless reading of any resolution is requested by a majority of Supervisors present.

(4) When the County Board meets in a declared emergency, the County Clerk will read the written Declaration of Emergency.

(5) In the absence of the Chair and Vice-Chair, the Board shall select one of its members to preside for the day.

(6) A member not present during any meeting of the Board, or any Board standing committee to which that member is appointed, shall be recorded as absent unless excused by the Chair or the Clerk prior to such meeting. A member wishing to be absent while the meeting is in session shall first obtain consent from the Chairman of that meeting.

(7) The Chair shall preserve order and shall vote on the call of ayes and nays, and the Chair shall decide questions of order subject to an appeal to the Board, except that the Chair shall not vote on appeals from the Chair's decision.

(8) No member of the Board shall have the privilege of addressing the County Board unless recognized by the Chair.

which shall have precedence in the above order. A motion to adjourn, move the previous question, or table indefinitely or to a certain time shall be decided without debate, provided that a member of the committee introducing the resolution shall be allowed to speak before a vote to table. This rule shall not authorize any member to move for adjournment when another member has the floor or when the Board is voting. A motion to refer or to amend may be debated. Any Motion to Amend shall be voted upon or withdrawn prior to any other Motion to Amend being allowed or considered.

(11) Whenever any member is to speak in debate or deliver any matter to the Board, that member shall address the Chair, confine the remarks made to the question under debate, and avoid personality. No member shall speak except in his/her place, nor more than twice on any question, and not to exceed ten minutes at a time, except on leave of the Board.

(12) A member called to order shall immediately cease speaking but may appeal the decision of the Chair to the Board.

(13) Any member desiring termination of the debate may move the previous question or call for the question. Unless otherwise specified in the motion, it shall apply only to the immediately preceding question, and if an amendment is under discussion, it shall apply only to the amendment and not to the main question. The member who made the main motion shall be allowed to speak prior to the Chairman's acceptance of the motion for the previous question or call for the question. A 2/3 vote of the members present shall be required for adoption.

(14) All questions shall be put in the order they were moved, except privileged questions.

(15) Whenever the request for a roll call is defeated by the majority of the County Board, the Clerk shall record the ayes and nays of all those supervisors who request to be recorded on the roll call.

(16) No member of the Board shall leave the room during roll call until the results are announced by the Chair.

(17) It shall be in order for any member voting on the prevailing side to move for a reconsideration of the vote on any question on the same day or to give written notice to the County Clerk no later than seven (7) business days following the previous regularly scheduled County Board Meeting of his/her intent to move for reconsideration at such next County Board meeting. If notice is not given in this manner, the matter shall not be subject to reconsideration. A motion for reconsideration shall not be accepted by the Chair unless it can

be determined that the person making the motion had voted on the prevailing side. Any motion for reconsideration must be adopted by a majority of the members present.

(18) Any person not a member, desirous of addressing the Board on any subject germane to the Agenda topic being discussed, shall first obtain leave, such leave being requested by a member to the Board to have a suspension of rules. The Chair, without suspension of rules, shall be permitted to call upon the Department Head or his designee of any of the departments for remarks pertaining to their departments.

(19) All claims and accounts against the county shall be referred to the proper committee authorized by this Board to audit same. (20) All County Board final votes on resolutions and ordinances which are before the Board shall be displayed. This mandatory display does not include votes on amendments or on motions to refer, table, or the like, unless requested in the usual manner.

(21) These rules may be suspended by a vote of two-thirds of the members present.

(22) The rules of Parliamentary Practice comprised in Robert's Rules of Order, revised, shall be the Rules of Order in all cases in which they are not inconsistent with these rules.

**2.15 PUBLICATION OF COUNTY BOARD PROCEEDINGS.** A true and accurate copy of all proceedings had at any regular or special County Board meeting shall be published once in a newspaper to be selected by the Board of Supervisors on a bi-annual basis, after receipt and review of bids from newspapers published in Brown County which meet the qualifications of publishing newspapers as set forth in Ch. 985, Wis. Stats., as amended from time to time; said publication to be completed within 60 days after the adjournment of each session.

**2.16 APPOINTMENT TERMS FOR COMMITTEES, COMMISSIONS AND BOARDS.** All appointments to Committees; Commissions and Boards be appointed for a stated period of time. All appointments will be forwarded to the appropriate oversight committee with a complete resume of the appointee. If there is no oversight committee appropriate for the appointed position, appointments will go to the Executive Committee. The oversight committee will review the appointment and make a recommendation to the Brown County Board of Supervisors. The County Executive, {Wisconsin State Statutes 59.17(2)(c)} will make every effort to re-appoint or make a new appointment to fill expiring terms to Committees; Commissions and Boards in a timely manner. In the event no re-appointment or new appointment is confirmed by the Brown County Board of Supervisors prior to the end of the term of the appointment, the present confirmed member will serve until a re-appointment or new appointment is confirmed.

(2) All appointments made to serve on County Committees, Commissions or Boards shall only be made to individuals who serve and live in the taxing district related to the appointed Committee, Commission or Board. The individual appointees shall not have competing interests, as those interests related to where the appointee lives, to the County's Committee, Commission or Board's interests which they are appointed to serve on. Any individual currently serving on a Committee, Commission or Board for the County, at the time this ordinance becomes effective, shall be grandfathered in and allowed to continue to serve out their term, but only until their term expires.

**2.17 COUNTY EMAIL USE BY COUNTY BOARD SUPERVISORS.** This Section shall take effect on April 21, 2020. In order to facilitate compliance with the WI Public Records and Open Meetings Laws, Brown County provides each County Board Supervisor with an official County Email Address/Account. County Board Supervisors are not required to use email for any purpose, but when choosing to use email to conduct official County business and/or to act in their official capacity as County Board Supervisors, County Board Supervisors are required to only use their official County Email Address/Account. The Brown County Department of Technology Services shall not honor any request to allow a County Board Supervisor to use anything other than their official County Email Address/Account, and shall not facilitate forwarding a County Board Supervisor's emails to another personal email address/account as that could frustrate the WI Public Records and Open Meetings Laws.

Ladies and Gentlemen:

WHEREAS, the Wisconsin Department of Justice will make available approximately \$36,500.00 for a joint County-Tribal Law Enforcement grant to be shared between Brown County and the Oneida Nation; and

NOW, THEREFORE, BE IT RESOLVED by the Brown County Board of Supervisors that Brown County shall continue working cooperatively with the Oneida Nation in the area of public safety and law enforcement, and that relevant Brown County staff and officers are hereby authorized and directed to take any and all action necessary to participate in the 2020 County-Tribal Law Enforcement Grant as described more fully above.

*Fiscal Note: This resolution does not require an appropriation from the General Fund. The joint County-Tribal Law Enforcement grant is included in the 2020 budget at a budget estimate of \$18,250.00 representing the County's share.*
